DISPATCH/INFORMATION

On 6/14/2019 at approximately 1100 hours, I was dispatched to [REDACTED] in reference to a runaway report. Dispatch advised two subjects ([REDACTED] and [REDACTED]) with an apprehension order were at this address attempting to leave. I checked the area and could not locate the subjects. Later, the caller had advised the subjects were back at this address.

VENUE

[REDACTED], City of Lansing, County of Ingham, State of Michigan.

DATE/TIME

6/14/2019 at 1100 hours is when I was dispatched to this call.

OFFICER OBSERVATIONS

Upon my arrival, Officer Clew and I spotted two subjects take off running in the back yard of [REDACTED] on 6/14/2019. These two subjects were later identified as [REDACTED] and [REDACTED]. Officer Clew and I chased after the subjects for several blocks while yelling, "Stop, Police!" several times. I was able to apprehend [REDACTED] while Ofc. Clew continued to chase after [REDACTED].

RESPONSE TO RESISTANCE #1 ([REDACTED])

After chasing [REDACTED] for two blocks, I was able to apprehend her after she gave up running on the corner of Walsh and McCullough. While [REDACTED] was standing, I ordered [REDACTED] to place her hands behind her back so I could put her in handcuffs. [REDACTED] was noncompliant with my orders. In response to this, I pushed her body against a nearby vehicle until I was able to secure her in hand cuffs. I then began walking [REDACTED] back to my patrol vehicle parked on Dakin Street.

While walking [REDACTED] to my patrol vehicle, [REDACTED] became irate once my vehicle was in sight. On the corner of Walsh and Dakin, [REDACTED] actively pulled away from me as an attempt to escape. While pulling away, [REDACTED] was able to get her left hand free from the handcuffs. Once [REDACTED] had her hand free, she actively pulled away from me and tried to face me in an aggressive manner. In response, I grabbed ahold of [REDACTED] left arm and used strength and leverage to escort her to the ground. Once on the ground, [REDACTED] continued to resist and pull away from me. [REDACTED] was successfully able to regain her footing and stand up. Immediately after [REDACTED] stood up, Ofc. Howley arrived. I used strength and leverage to pull [REDACTED] left arm behind her back. [REDACTED] continued to pull away, in response I placed her left wrist in a wrist lock. Ofc. Howley was able to get [REDACTED] right arm behind her back. I was then able to place [REDACTED] in handcuffs.

Once [REDACTED] was placed in handcuffs, we began walking her to the patrol vehicle. [REDACTED] was still not cooperating with police and actively resisting arrest. While walking, [REDACTED] was stopping her forward progress by jamming her feet in the ground, preventing us from escorting her to the patrol vehicle. At this point, [REDACTED] turned her head slightly towards the right and spit. After spitting, [REDACTED] went limp and became dead weight. At this time, Ofc. Howley let go of [REDACTED] right side. I maintained control of [REDACTED] left arm. Ofc. Howley picked up [REDACTED] feet and we carried her to my patrol vehicle. [REDACTED] was sat on the ground so I could unlock my patrol vehicle.

[REDACTED] was lifted and seated in the passenger side of the patrol vehicle. Once seated, she refused to bring her right leg into the car, preventing us from closing the door. I moved to the driver side of the patrol vehicle and climbed inside the back seat. [REDACTED] was still refusing to bring her foot inside the vehicle. In response, I grabbed [REDACTED] under the left armpit and attempted to pull her inside. I gave loud verbal commands for [REDACTED] to bring her leg inside the vehicle several times. [REDACTED] continued to resist and I was unable to pull her inside. After a short struggle and with the assistance of Ofc. Howley I was able to pull [REDACTED] the rest of the way into the vehicle.

RESPONSE TO RESISTANCE ([REDACTED])

Refer to Ofc. Clew's narrative.

TRANSPORT

I transported [REDACTED] to the youth center 700 E Jolly, Lansing, MI 48910. While on the way [REDACTED] [REDACTED] Was screaming and spit at inside the back seat. Once we arrived to the youth center, [REDACTED] was booked in without incident.

VENUE:

R/O:

While assisting Ofc. Clew with [REDACTED], I heard [REDACTED] screaming and saw her attempt to escape custody from Ofc. Ueberroth. I saw [REDACTED] have one hand in handcuffs and the other hand free and actively pulling away from Ofc. Ueberroth. I then ran to Ofc. Ueberroth's location and assisted placing [REDACTED] back in handcuffs. I grabbed onto [REDACTED] right arm and held it in place while Ofc. Ueberroth placed the handcuff back on the left wrist. While grabbing onto [REDACTED] my body camera fell off. Once [REDACTED] was secured in handcuffs and we were escorting her back to the patrol vehicle, I picked my camera back up and placed it back on my uniform.

While continuing to escort [REDACTED] back to the patrol vehicle, [REDACTED] spit on my boots. I advised [REDACTED] that she is adding a felony charge and she stated "I don't give a fuck." [REDACTED] then went limp and dropped to the ground. [REDACTED] exhibited passive resistance and was given verbal commands to stand up and walk which she continued resisting. Once [REDACTED] was on the ground she told officers to "drag" her. Ofc. Ueberroth then picked up [REDACTED] by the arm and I picked up her legs and we carried her to the patrol vehicle. Once we arrived to the patrol vehicle, [REDACTED] was placed on the ground in order to open the door. [REDACTED] then began yelling at the RP stating "When I get the fuck out I'm going to fuck you up bitch". While picking [REDACTED] back up to get into the car, she would not enter the vehicle. I used strength and leverage to place her down in the seat of the vehicle and attempted to close the patrol vehicle door.

████ kicked the car door (2) times and then braced herself so that her foot was blocking the door from closing. I gave verbal commands to move her foot and put her leg in the vehicle multiple times. I then had Ofc. Ueberroth go to the other side of the vehicle to seat belt her in.

Once █████ was seat belted into the vehicle, Ofc. Ueberroth attempted to pull █████ away from the door so it could be secured while I attempted to push her leg inside the vehicle. Officers were unsuccessful from moving █████ from the braced position she put herself in. I then delivered closed fist strikes to █████ upper thigh in an attempt to have her dislodge her foot from the door. I delivered several strikes to █████ upper thigh which were ineffective.

████ then turned her body sideways and kicked me in my chest which caused my camera to fall off my uniform. Officers gave several more commands to put her leg in the car which █████ continued to resist. I picked my camera back up and placed it back on my uniform. At this point █████ foot had slid down to the corner of the door and I attempted to close the door. █████ continued to brace herself in the car to prevent the door from closing and stated "I ain't doing shit."

Officers were then able to dislodge █████ foot from her braced position and I began to close the door. As I closed the door, █████ continued to kick at the door and push against me. I was then able to push back against the door and secure the door. █████ was then transported to the Ingham County Youth Home by Ofc. Ueberroth.

USE OF FORCE:

████ exhibited active resistance when she slipped the handcuff from her wrist and began pulling/pushing away from Ofc. Ueberroth. Officers responded with verbal direction to stop resisting and compliance controls by using the joint locks to prevent █████ from moving her arms. Once █████ was placed in handcuffs, she exhibited passive resistance which Officers responded to with verbal commands and then physically carrying her to the patrol vehicle.

Once in the vehicle, █████ continued to exhibit active resistance by not getting into the patrol vehicle by pushing back against officers. █████ also exhibited active resistance by blocking the door from being closed. Officers responded to this resistance by continued verbal commands to get into the vehicle and move her leg into the vehicle. Officers also responded by using strength and leverage to place █████ into the vehicle.

While █████ continued to exhibit active resistance by blocking the door, Officers responded to the resistance with physical controls. I delivered several straight arm punches to █████ upper thigh which were not effective. █████ then exhibited active aggression when she kicked me in the chest. When █████ turned her body to kick me her foothold slid to the corner of the door. When █████ foot slid to the corner of the door, I began pushing on the door to close it while Ofc. Ueberroth pulled on █████ and we were able to get the door secured.

MDOP:

While [REDACTED] was secured in the back seat of my patrol vehicle, he was kicking at the windows and the glass separating the back seat from the front seat. My in-car camera had not been activated yet while this was occurring. I advised dispatch and activated my camera. Once [REDACTED] was lodged at the Youth Center, I inspected my vehicle and discovered several footprints and the back window broken where the glass attaches to the back seat. I photographed the damage and added it to the report.

TRANSPORT:

I transported [REDACTED] to the Ingham County Youth Home without further incident.

PHOTOGRAPHS:

Attached are photographs of the damaged police vehicle and my injuries.

OFFICER INJURIES:

During the altercation with [REDACTED] I sustained injuries to my right hand and wrist. My right thumb was cut and bleeding and began to swell. My right hand also began to swell and bruise from the kicking and resisting from [REDACTED]

TREATMENT:

I was treated at Sparrow Occupational health for [REDACTED]
[REDACTED] I was also taken off patrol duty and assigned light duty.
